

Steps to Search for a company or individual in SAM:

1. Log onto Sam.gov
2. Click on Search Records
3. In the search bars, type the company name, Duns & Bradstreet number (DUNs), and/or the company's Commercial and Governmental Entity (CAGE) code.
**Individuals are not assigned a DUNs number or a CAGE code. So, you are only able to enter their name in the search bar.
4. Click on Search to retrieve a list of results
5. Entities with "exclusion" listed in purple are currently debarred, while those labeled "entity" in green do not have exclusions
6. In the right upper corner of the webpage, click one of the three buttons (PDF, Export CSV, or Print) to export or print the search results
7. Click "view details" to view SAM's information about the entities
