

Direct Deposit or Auto-Transfer

Account Information

As part of your FAIM enrollment, you have the option to save by having funds directly deposited or automatically transferred into your FAIM savings account.

Payroll Option: Your employer may give you the option to deposit funds into more than one account. Check to see if you could have a specific amount deposited into your FAIM savings account from every paycheck.

Existing Bank Account Option: If you have an existing personal checking or savings account outside of Bremer Bank, ask that bank about setting up a monthly automatic debit. They will provide a form for you to fill out to for this request.

Tax Return: If you receive a tax refund, the IRS allows you to deposit it into more than one account. You can designate a smaller amount to your FAIM savings account and have the rest sent to your primary account.

To establish the deposit or transfer, you will need to provide the following account information:

Bremer Bank Routing Number: 096010415

FAIM Account Number: _____
