

- I understand that, except for making deposits, I have no access to the custodial FAIM savings account at Bremer Bank.
- I understand that requesting a withdrawal from the FAIM account for something other than my chosen asset may result in termination from the program.
  - I must contact the local FAIM coach to discuss my situation and determine if other resources may be available.
  - A withdrawal from the FAIM account must meet program criteria for urgency and receive approval from the FAIM Administrator - approval is very limited. Withdrawal of funds may result in exit from program.
- If my saving goal is reached, and my training and asset requirements have been completed, I may request payment to a third-party vendor after reaching the 6 month + 1-day minimum enrollment requirement (based on first deposit date).
  - After contacting the FAIM coach to request a payout and providing the required documentation, I must allow the program 21 business days for processing the request and mailing a check to the third-party vendor.
- FAIM savings/match must be spent for the chosen asset **in Minnesota** within 30 months of the first deposit date. If funds are not spent within the time allowed, my savings/interest will be returned, and the match will be forfeited.
- No check will be issued for odd cents remaining in a FAIM account at the end of enrollment (generally under \$0.25).  
**Regarding odd cents or interest earned on my account, I choose to:**
  - For religious reasons/beliefs, I waive interest earned on savings to WCMCA to be put in FAIM's general fund.
  - Waive odd cents remaining in my account to WCMCA to be put in FAIM's general fund.
  - Pick up odd cents remaining in my FAIM account in person at Bremer after exit from the program.
- I must designate at least one beneficiary for the custodial savings account at Bremer Bank. If something should happen to the FAIM account holder, the beneficiaries are only eligible for the savings and interest.

**If an enrollee's participation in the program is terminated for any reason, they agree:**

- The local FAIM coach and/or FAIM Administration may close the FAIM savings account without notice.
  - The savings/interest will be returned to the account holder by Bremer Bank via check in the mail.
  - The match earned on savings will be forfeited back to the FAIM program.
  - The unsuccessful enrollment will count toward the individual's two enrollment limit.
  - The individual must wait a minimum of one year (366 days) before they may reapply for enrollment.

**The local FAIM agency/coach will provide the account holder:**

- Regular check-in and a monthly FAIM Savings Account Statement.
- Twelve (12) hours of financial management training - course and 1:1 financial coaching.
- An additional ten (10) hours of asset-specific education - course and/or training may be provided or made available through other programs/resources.

**By signing below, the account holder understands and agrees to the terms and conditions of participating in the Family Assets for Independence in Minnesota (FAIM) program, as specified in this Contract Agreement.\*\***

*\*\*FAIM reserves the right to make changes to program policies/rules during the term of this agreement.*

# FAIM Program

## Beneficiary Form: Rules for Designation of Beneficiaries for Family Asset Accounts<sup>1</sup>

A FAIM account holder may nominate any person, persons, institution, trust, estate, etc., as primary, or contingent beneficiary, including a religious or charitable institution. If a religious or charitable institution is named, its tax identification number & incorporation date should be included on the form.

**At least one beneficiary must be named - do not list yourself.** If more than one person is named as primary beneficiary, the following shall apply: "Share & Share Alike, Survivor or Survivors", unless the member specifies an unequal distribution (see below). If multiple beneficiaries are named, it is to be understood that the beneficiaries living at the member's death will share equally in the distribution of the death benefits (unless an unequal distribution has been outlined by the member, see below). The same applies to multiple contingent beneficiaries.

If a member wants an unequal distribution among beneficiaries, he or she can use a percentage or a fraction next to the person's name. If the member specifies a percentage nomination, the percentages written must add up to 100%. For example, the member writes, Mary Smith, sister, 70%; Thomas Jones, brother, 30% (70% + 30% = 100%).

In the case of fractional nominations, the fractions must add up to one (1). For example, the member writes: Joe Jones, son, 1/4; Jim Jones, son, 1/4; Patty Smith, daughter, 1/2 (1/4 + 1/4 + 1/2 = 1).

**PRIMARY BENEFICIARY(IES): All information required for each beneficiary. Add another sheet if more space is needed.**

Full Name	Relationship	Birthdate	Phone Number
Street Address	City	State	Zip Code
