Minnesota Department of
Human Services

Matched Savings Program

FAMILY ASSETS FOR
INDEPENDENCE
IN MINNESOTA

Building Assets Through:

- ◆ Home Ownership
- ◆ Business Development
- ◆ Vehicle Ownership
- ◆ Post-Secondary Education

What is FAIM?

The Family Assets for Independence in Minnesota (FAIM) Program is a matched savings project that assists low-income working Minnesota state residents with building assets through participation in a 30-month program for one of the following asset goals:

- ◆ first home purchase
- ◆ small business start or expansion
- ◆ personal vehicle purchase
- ◆ post-secondary education

A program participant will reach their goal by making monthly deposits from earned income (wages) into a Family Asset Account opened through the program. Deposits made to the account within 24 months may be matched 3:1 by the program.* The participant has up to 6 additional months (if needed) after their saving period ends to obtain their asset *in Minnesota*. Program payment toward purchase of the asset is completed to a third-party vendor, not the participant.

Saving + Match Example:

Save \$125 monthly for 2 years	\$3,000
FAIM 3:1 match on \$3,000	\$9,000
Potential funds toward asset	\$12,000

*Previous household enrollments affect eligibility for the program and/or match funds. Lifetime maximum of two enrollments or \$4,000 savings per household.

Purpose of FAIM

FAIM helps participants change their saving and spending habits, including consumer debt reduction. Before accessing FAIM funds, the participant must successfully complete:

- ◆ training with 1:1 coaching to include 12 hours financial management and 10 additional hours of asset-specific education.
- ◆ requirements of the asset track.
- ◆ minimum enrollment period.
- ◆ deposits to account within 24 months (2 years) to earn match.
- ◆ the all requirements and exit within 30 months (2 1/2 years).

Contact a local FAIM agency to be screened for eligibility.

- ◆ FAIM's target enrollment is low-income working Minnesotans.
- ◆ The program provides financial counseling and requires clients to complete financial management and asset-specific training.
- ◆ FAIM provides subsidies through a matched payout rather than through a tax break.

FAIM funding is appropriated through state legislation.

Eligibility for FAIM

The FAIM applicant must:

- ◆ be 18 years of age or older
- ◆ be and remain a Minnesota resident (with valid MN license/ID)
- ◆ have earned income (wages) to deposit monthly
- ◆ have household annual gross income below 200% of the federal poverty guideline.
- ◆ have household net assets under \$10,000
- ◆ have ability to use program funds for the chosen asset within 30-months

Household income and assets may increase *after* full enrollment into the FAIM program.

*200% of 2025 Poverty Guideline

Household (HH) Size	Maximum HH Annual Income
1	\$31,300
2	\$42,300
3	\$53,300
4	\$64,300
5	\$75,300
6	\$86,300
7	\$97,300
8	\$108,300

Add \$11,000 for each additional person in the home

* based on 2025 federal HHS poverty guideline

How to Get Involved

FAIM is offered across the state through partnerships with Minnesota Community Action Agencies and non-profits.

A full list of FAIM participating agencies is located in this brochure and is available online at: www.minnesotafaim.org
